Message from Leadership

Dear Friends, Supporters, Volunteers and Partners,

We are pleased to present you with the 2014 Annual Report for Jewish Family Service Agency. Our fiscal year ending August 31, 2014, was another successful year of growth, accomplishments and many highlights.

In the Mental Health Outreach Program, the newly established Volunteer Peer Support Program, helped to expand our offerings to clients and provided opportunities to encourage client growth and development;

Due to our excellent reputation, JFSA's Seniors Department was approached by United Way to become the lead agency for the Better at Home Program in the Kerrisdale-Oakridge-Marpole area. Funded by the government, managed by United Way, and offered through partnering agencies, Better at Home is a program that offers a variety of services, including Home Support, to help seniors with simple day-to-day tasks so that they can continue to live independently in their own homes and remain connected to their communities. As the lead agency, we expanded our services to this area;

We were also very pleased to have been part of a collaborative venture like JHub Richmond, which is generously funded by the Jewish Federation. With the ability to access

this new community resource, we are now able to better deliver our services to those living in the Richmond community;

2014 was truly a special year and marked the 10 year anniversary of Innovators Lunch. Generous donors, corporate partners and dedicated committee members, helped make this event a huge success with 620 in attendance and results of \$200,000 raised towards our many critical programs and services – a new record!

These are just a few of the many highlights from the past year – none of which could have been accomplished without the efforts of our dedicated board, staff, volunteers and YOU, our supporters. Todah Rabah! To all of you, we express our heartfelt gratitude.

We look forward to an exciting year in which JFSA continues to make a positive impact on people's lives and improves its ability to do so. On behalf of the Board of Directors, thank you for continuing to join us on this meaningful journey.

With warm regards,

JOEL STEINBERG

JFSA's Legacy Circle

Over the past 20 years, JFSA has been fortunate to have had caring and committed friends, who in addition to giving an annual gift, have also extended their commitment to establish an endowment fund.

Today, JFSA has about 50 endowments held at the Jewish Community Foundation and the Vancouver Foundation, totalling approximately \$3 million.

The following funds provide much needed annual support to our many programs and services. In the 2013 – 2014 fiscal year these funds generated a total of \$191,471.
